

IMPORTANT REQUEST: We need 10,000 patriots to fill the Capitol grounds for Monday's rally!

Unfortunately, the Virginia Supreme Court just said **they did not have enough information on the stay denied by the lower court to issue their own stay**, so the Governor's illegal gun-ban on Capitol grounds is going to stand for this event.

Here is what we need to do on Monday to make the rally a success:

DETAILS:

1. VCDL needs at least 10,000 members/gun owners to commit to "taking one for the team" by entering the Capitol grounds unarmed around 10 am and being in place for the rally by 10:45 am. Those who were lobbying will already be unarmed, so we urge them to be part of the 10,000 inside the fencing. **NOTE: knives with folding metal blades less than 3-inches long are ARE permitted both in the General Assembly AND on the Capitol grounds.**
2. For every one gun owner on the Capitol grounds, we need another two to five people outside the Capitol grounds's fence on 9th Street. Those doing so can be legally armed.

If you can commit to being one of our needed 10,000 unarmed members inside the fence, please help us by asking several of your family and friends to be your designated armed escort to the gates and to stand outside the fenced area to watch over us.

WHY:

We are separating our responsibilities, in this otherwise untenable and unconstitutional situation foisted on gun owners by Northam. Gun owners standing, both **inside and outside** of the fence, ensure that the Capitol grounds and the surrounding area is filled to capacity to hear our speakers and it will make a great visual for the cameras!

For those who are going to be on the Capitol grounds, the less items you bring along, the quicker and more efficient the screening.

VCDL will have loudspeakers so that those outside the fence will be able to hear. The event will also be broadcast live on [WRVA radio](#), 1140 AM /96.1 FM.
